

Preferred Products Catalog

Control Resources is pleased to introduce its Preferred Products Catalog. Our Mission is to provide our valued customers **Outstanding Customer Service** and **help you reduce your cost of doing business**. It is our desire that this catalog moves us closer to meeting both of these goals. The basic idea is to: 1) have inventory that is focused on your Pneumatic, Electrical Control and Linear Motion needs, 2) provide you with a detailed listing of these items for your convenience, and 3) provide same day shipments 95% of the time. The primary benefits are:

Quick Delivery
Less Expediting
Ease of Specification
Quick Pricing for Proposals
Consistent on-time deliveries

Please let us know if you have suggestions how we can improve this valuable tool to make it more user friendly or useful to you and your company.
